|--|---|

*66	(14) Milwaukee heavy duty breaker with breaking points in case, 110V (ED 302653)	*100	Stihl TS410 petrol engine stone cutter (MK 315434)
*67	Large site transformer with 6 outputs (E304482)	*101	Stihl TS410 petrol engine stone cutter (MK 314575)
*68	(9) Sealey Power Products Superstar 420/1 charging station (ED)	*102	Stephill generator 6KVA generator with multiple outputs on trolley in silenced cabinet (STR 315735)
*69	Stephill generators Honda GX petrol engine generator with 2 outputs (ED 308224)	*103	(68) Makita 2414NB metal chop saw, 110V (MK E304822)
*70	(67) Belle Minimix 150 cement mixer, 110V (ED E31491)	*104	(69) Ridgid 300 heavy duty pipe threading machine, 110V (N)
*71	Kaddi diesel mobile fuel bowser with hand operated pump (ED 303704)	*105	(11) Makita table saw, 110V (N)
*72	Stihl petrol engine stone cutter (ED 317179)	*106	(106) Belle Maxitile 260 tile cutting machine, 110V (N E311800)
*73	Van Vault tool box (A)	*107	(58) Large commercial fan, 240V (E301094)
*74	Taski Swingo 450B battery operated floor cleaning device	*108	Belle 3201 Honda petrol engine compactor vibrating plate (STR E314528)
*75	Taski Swingo 450B battery operated floor cleaning device (FAIL)	*109	Belle 3201 Honda petrol engine compactor vibrating plate (MK E317169)
*76	Rite Lite Super Lite K9 battery powered site lite (ED E313142)	*110	10KVA site transformer with multiple outputs (MK E316451)
*77	(12) Numatic industrial vacuum cleaner, 110V (ED E312489)	111	Wolseley Major Merry Tiller with rotovator attachment and plough attachment
*78	Honda petrol engine 3" water pump (A)	*112	Belle Minimix 150 mixer, 110V (E315192)
*79	Belle Honda petrol engine vibrating compactor plate (A 314442)	113	Allen Oxford petrol engine scythe with scythe attachment
*80	Garden Master GMTC3 petrol engine turf lifter (A E300628)	114	spare
*81	Belle Minimix 150 petrol engine cement mixer (A)	115	spare
*82	Belle Minimix 150 cement mixer, 110V (A)	116	spare
*83	Belle Maxitile 245 tile cutter, 110V (H 45504)	117	spare
*84	Stephill SE6000D4 6KVA generator on large wheels in silenced cabinet (314101)	118	spare
*85	(18) Belle Maxitile 260 commercial tile cutter, 110V (A E311366)	119	spare
*86	Pop up + scissor action battery operated scissor style lift 300kg capacity and single phase charger	120	spare
*87	(16) Makita 2400B metal chop saw (ED 33509)	*121	5/3 1/2 diesel engine pull start engine mixer (N T195782)
88	Metal framed 2 tier trolley	*122	Benford CTHE 5/3 1/2 diesel pull start engine mixer (H)
89	Shelf of petrol cans	*123	Belle 5/3 1/2 diesel pull start engine mixer (MK E311043)
90	Kango heavy duty breaker, in case, 110V (FAIL)	*124	Winget 5/3 1/2 diesel key start engine mixer (MK 314356)
91	Secure key lock cabinet	*125	Benford Terex 5/3 1/2 diesel pull start engine mixer (MK)
*92	(93) 12' x 18' tarpaulin	*126	5/3 1/2 diesel pull start mixer (N T177293)
*93	CS451 Honda petrol engine floor saw (N 315989)	*127	5/3 1/2 diesel mixer, 110V (H)
*94	Fairport heavy duty block splitter (N E308354)	*128	Winget 5/3 1/2 diesel key start engine mixer (MK E305610)
95	3 heavy duty lifting chains	*129	Benford 5/3 1/2 diesel pull start engine mixer (MK )
*96	Stihl TS410 petrol engine stone cutter (N 315131)	*130	Winget 5/3 1/2 mixer diesel key start engine (MK E315187)
*97	Clipper Norton C99 Honda petrol engine floor saw (STR 307061)	*131	Belle 100XT 5/3 1/2 diesel engine mixer (ASH)
*98	Honda petrol engine pressure washer (N E316193)	*132	Belle 100XT 5/3 1/2 diesel pull start engine mixer (H)
*99	Atlas Copco hydraulic LP Honda engine breaker with breaker pipes and breaker unit	*133	Winget 5/3 1/2 diesel pull start engine mixer (H)

*134	Winget 5/3 1/2 diesel pull start engine mixer (H)	(ASH,H)
*135	Belle 100XT 5/3 1/2 diesel pull start engine mixer (MK E314286)	*166 Benford Terex 1-71 diesel engine roller breaker unit, no breaker attachment with associated trailer (N E313169, H)
*136	Belle 5/3 1/2 mixer diesel pull start engine (H E310350)	*167 Roller breaker trailer (H)
*137	5/3 1/2 mixer diesel pull start engine (H 137820)	*168 Roller breaker trailer (H)
*138	Belle 5/3 1/2 mixer diesel pull start engine (H)	*169 Yellow painted forklift tipping skip
*139	Belle 5/3 1/2 mixer, 110V (ED 314881)	*170 Yellow painted forklift tipping skip
*140	Belle 100XT 5/3 1/2 mixer diesel pull start engine (H)	*171 Blue painted forklift tipping skip
*141	Winget 5/3 1/2 mixer diesel pull start engine (N 314805)	*172 Blue painted forklift tipping skip
*142	Large blue plastic water bowser on single axle trailer, 250 gallon (H 222841)	*173 Blue painted forklift tipping skip
*143	Large yellow plastic water bowser on single axle trailer, 250 gallon (310467)	*174 Blue painted forklift tipping skip
*144	Large yellow plastic water bowser on single axle trailer, 250 gallon (E310021)	*175 Blue painted forklift tipping skip
*145	Extra large yellow water bowser on single axle trailer, 500 gallon (MK E316172)	176 GT Compressors ROTA 25 3 phase compressor unit, spares or repairs only
*146	All terrain pallet truck with pneumatic wheels	*177 Large 250 gallon water bowser in yellow on single axle trailer with small metal platform (N 312504)
*147	Probst grabs lock lifter attachment (H E309812)	*178 Large 250 gallon water bowser in yellow on single axle trailer with small metal platform (315556)
*148	Large yellow fuel bowser on tractor type trailer, 500 gallon (H 382051)	*179 Clipper Norton large site saw with petrol engine (N)
*149	495L fuel tank, 100 gallon (H 314863)	*180 Clipper Norton large site saw with petrol engine, 110V (STR E312545)
*150	Large yellow plastic water bowser on single axle trailer, 250 gallon (H 308202)	181 Egholm Maskine (Nilfisk) FS2100 Multi function road sweeper with Kubota diesel engine, rear gritting attachment, snow plough, various paperwork, V5 and key
*151	Ingersoll Rand Doosan R1074F 731E 8.6 bar pressure mobile site compressor with 2 outlets on single axle trailer, year 2010 (H E314522)	182 Large vertical compressed air receiver tank
*152	Large engine crane, 20CWSWL	183 Mobile linbin rack
*153	Clipper Norton Major petrol engine site saw (H)	184 Bambi VTS250D silent range oil free compressor single phase, boxed with instructions
*154	Probst Grabs block lifter attachment (H E305390)	185 spare
*155	Probst GA20 forklift tine attachment (E 311790)	186 spare
156	Pallet spill tray	187 spare
*157	Probst Grabs block lifter attachment (N E303762)	188 spare
*158	Whiteman petrol engine concrete float (N 303322)	189 spare
159	spare	190 Bridgeport by Adcock-Shipleigh vertical engineering mill with X,Y and Z axis, 3 phase electric (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)
160	spare	191 Varnamo VMA type SH-3 engineering shaping machine, 3 phase electric (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)
161	FG Wilson NAV01 (XD200P1) 200 Kva generator, year 2004, 19637 hours, approx. 4m x 1.5m x 2.5m	192 Lister-Petter twin cylinder diesel engine with pump on electric start (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)
*162	Probst all terrain pallet truck with pneumatic wheels (E303295)	193 Military diesel engine generator welder with Ptter type AC2 engine Plessey aerospace transformer
*163	Probst all terrain pallet truck with pneumatic wheels (N)	
*164	Benford Terex 1-71 diesel engine roller breaker unit with breaker attachment on associated trailer (H E313153)	
*165	Benford Terex NBR71 diesel engine roller breaker unit with breaker attachment on associated trailer	

	unit and Plessey aerospace DC generator (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	*207	(23) Cutting flat disks
		208	Part shelf of assorted drill bits in cases
		*209	(7) 25 piece drill set in case
		*210	(76) 48 piece spanner set
194	Arc gen weldmaker military diesel engine generator welder on single axle trailer, key start (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	*211	(77) 25 piece combination spanner set
		212	Red linbin containing drill bits, reamer bits, cutting tools and linbin containing floating reamers
		213	4 blue linbins containing milling tooling, reamers and other cutting tooling
195	Mini dump truck with Lister diesel engine, spares or repairs only (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	214	4 red and blue linbins and tin containing milling tooling, reamers and other cutting tooling
		215	Blue metal framed trolley
		216	2 toolboxes containing assorted handtooling
196	Hilta 163LP 4" pump with Lister Petter 10.4 kilowatt diesel key start engine on Meredith & Eyre Ltd. single axle trailer, year 2002 (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	217	Britool large spanner, socket and ratchet set
		*218	4 boxes of aprons
		219	(70) Rems 110V heavy duty tool
		220	Trimos precision engineering height micrometer device
		221	Box of Sinec tools for renovating Perspex and other transparent panels
197	4" pump with Lister 12.5 horse power - 16.2 horse power diesel key start engine on Bradley single axle trailer (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	222	LP grease pump
		*223	(85) Plastic handle wire brushes
		*224	(1) 4 large G clamps
		*225	(84) 2 packs of ratchet tie down straps
198	Holman self contained mobile compressor unit with Ford 2711E RPM1250-2500 diesel key start engine on large single axle trailer, year 1977 (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	226	Large tap and die set with tube containing various rods
		227	Air operated sander, air operated pistol drill, 2 further air operated tools
		228	2 boxes containing Loctite O ring splicing part kits
		229	Specialist rods used in engineering mould
199	Hobart Simplified arc welder diesel generator welder with Austin engine on large single axle tractor type trailer, spares or repairs only (please note this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	*230	(35) 10 piece socket set in case
		*231	(67) Large bundle of grip type work gloves
		*232	(42) Large bag containing washers
		*233	(86) Box containing brass crimp cup brushers
200	Heald Red Head double headed boring machine type 14-11C, max speed 1200, serial 44781, unit 33367-T with 2 Anilaim Wizard control units, B.S.A. Tools Ltd. machine no. 18684 (please note we believe this machine weighs in excess of 5 tons and is attached to large steel plate, this lot is located in Ravensdon, Bedfordshire, please contact auctioneer for an appointment to view)	234	Spirit level, air gun, 2 boxes of specialist fixings and coupling points plus engineering plugs
		235	Selection of cup wheels
		236	Record No. 0 bench mounted engineering vice and linbin containing DNE sprung clamps
		237	Selection of small engineering V blocks, clamps and vice type devices
		238	Hasco Z945/2 engineering assembly set in case
		239	Specialist chuck in case
*201	(72) Heavy duty chain and lock	240	spare
*202	(69) 4 disk padlocks	241	4 jaw chuck
*203	(71) 3 assorted padlocks	242	Machining rotating table
*204	(70) 3 90mm disk padlocks	243	Machine steady and guide
*205	(39) Air cut off tool in box	244	Galvanized tray containing engineering clamps
*206	(20) Turbo Flex stainless steel cutting disks	245	Galvanized tray containing nitrogen tap valve and

	gas tap valve with gauges	285	spare
246	Box containing Allen keys	286	Machine vice with extra axis machining block
247	Galvanized tray containing large spanners	287	Machine dividing head with 3 jaw chuck
248	Mitutoyo Vernier height gauge 520-163 in original wooden case	288	Selection of abrasive disks
249	(13) Numatic commercial floor scrubber/sander with pads	289	(71) Reciprocating saw, 240V
250	2 small micrometers and 2 depth gauges	290	Harrison saw blades
251	Benson Vernier caliper in case	291	3 Eland HD series signal cylinders
252	Height gauge in case	*292	(115) Beware of the wife enamelled sign
253	Mitutoyo Vernier caliper, no case	293	2 early 20th Century steel cabinets
254	Specialist measuring device in case	294	2 steel 4 drawer filing cabinets
255	Box containing acrylic templates, box containing Gowllands inspection glass and Diprofil machine with associated parts in case	295	Polo Club briefcase and a Hyprez diamond compound multi drawer cabinet
256	Hilger and Watts spirit level engineering measuring device	*296	(109) Warning: Grumpy old man ahead enamelled sign
257	Brumefield Tungsten carbide slip gauges in case	297	Chest of 5 drawers
258	Invexa Seiki tapping head with collets	298	Steel surfaced table with calibration service mark on mobile table
259	4 large sets of punches and stencil lettering	299	spare
260	Selection of small punch sets	300	spare
*261	(38) Air powered ratchet	301	Range of mill cutting tools with auto locks
*262	(24) Dekton pot rivet set with rivets	302	Box containing auto locks and 2 trays of auto locks
263	Auto lock with machine tool heads and specialist disk with V plate and another similar plate	303	Part pallet of band strapping, inspection lamp, electrical junction boxes
264	Pair of small horse shoe shape clamps, box of chucks and box of miscellaneous	304	(72) Mold Rep 91235 micro welder mold and die repair machine with various component parts
*265	12 boxes of aprons	305	Selected soft jaw chucks
266	Hilka Pro Craft ratchet and socket set	306	Green 2 tier trolley
267	Wooden engineer's case	307	Metal tray containing large reamers
268	Box of pullers	308	Plastic box containing large drill chucks
269	Cylinder hone	309	Jones Shipman UX8060 engineering measuring device
270	Section of shelf containing springs, compression springs and gauges	310	Aluminium case containing small selection of specialist clamps
271	Box containing large Allen keys	311	Green 2 tier trolley
272	Small selection of grinding disks and saw blades	312	Part pallet of large red box of miscellaneous tooling and selection of engineering blocks
*273	(21) 9" turbo flex cutting disks	*313	(98) Reproduction tractor type seat
*274	(33) Bag containing airline coupling	314	Part pallet of XL drill bits, reamers, milling tools and cutters
*275	(27) 40 piece impact bit set	315	Startrite 352 engineering band saw, 3 phase
276	Box containing drill bits	316	P&J PJD2.5M 1.1 kilowatt dust extraction system, 3 phase
277	6 boxes of Recoil thread repair kits	317	Green plastic tray containing various electrical components including digital read out, electrical junction boxes, etc.
278	Blue linbin containing machine lifting eyes	318	4 small boxes containing engineering cutting tips
279	6 various sized boxes containing collets	319	spare
*280	(46) Bag containing bolts	320	spare
*281	(43) Bags containing linch pins	321	HPC receiver mount compressor, single phase
282	Blue linbin containing tapered cutting tools and drill bits		
283	Large steel engineering straight edge in case		
284	spare		

322	(21) S.I.P Airmate small receiver mount air compressor, single phase	361	Box of straw foam
323	S.I.P Mec 90 metal cut off saw, 3 phase electric	*362	(352) Nortcold refrigerated bottle dump
*324	(92) 24' x 18' tarpaulin	*363	(353) Nortcold refrigerated bottle dump
325	Alup Kompresoren Hydrovane SCK15-08, year 2002, self contained compressor	*364	(50) Solid wheel jockey wheel
326	Part pallet of various cutting tools	*365	(60) Heavy duty jump leads, 3m
327	DML Microwave Ltd. DMS7026 Quadrant connections Densitron	*366	(96) Magnetic trailer light set
328	DML microwave 7022 Densitron	*367	(52) Hand operated winch
329	DML Microwave Ltd. DMS7026 Quadrant connections Densitron	*368	(95) Trailer board with light set
330	DML microwave 7022 Densitron	*369	(53) Hand operated winch
331	Large red tray containing various drill bits, mill, bits and cutting tools	*370	(49) Hydraulic jack, 5 ton capacity
332	Grey 2 tier low level mobile trolley	*371	Small wooden rack
334	Pallet of specialist rods used in engineering die casting	*372	Small wooden rack
*335	5 boxes of Denin work jeans	*373	(351 catering) Hydro 750 under counter drop front dish washer
*336	5 boxes of Denin work jeans	*374	(57) Large jerry can
*337	5 boxes of Denin work jeans	*375	(54) Heavy duty towing chain in case
*338	5 boxes of Denin work jeans	*376	(61) Heavy duty jump lead set, 6m
*339	8 boxes of Cobel welding machine accessories, spares and electronic circuitry	*377	(56) Small jerry can
*340	Box of ceramic cups/ hoods for welding machines and electronic circuitry	*378	(34) Rubber air hose, 10m
*341	Large box containing Cobel welding machine accessories, spare parts and electronic circuitry	*379	(7) Stack of assorted sized fry pans
*342	18 boxes of Cobel welding machine accessories and spares	380	Large box containing heavy duty lifting chains and chain brothers
343	2 machine vices	381	T.H.Taylor Hobson pantograph, single phase
*344	(51) Pneumatic jockey wheel	*382	(28) Elliott Progress 16 engineering pillar drill, single phase
*345	(44) Bundles of hitch pins	383	CEM mig 45 welder with S8.16 attachment, 3 phase
346	Scorpio NEP300 metal chop saw, 3 phase electric	384	Migatronic auto mig 221 welder, single phase
*347	(83) Large orange ratchet strap	385	Sika industry bulldog pump 2, specialist pressurized pump unit for mastic and lubricants
*348	(82) Large orange ratchet strap	386	Sika industry bulldog pump 2, specialist pressurized pump unit for mastic and lubricants
*349	(81) Large blue ratchet strap	*387	Guardian site box
*350	(80) Large blue ratchet strap	388	(260) Heatrae Sadia electric water boiler
*351	(78) Small orange ratchet strap	389	(36) Water softener
*352	(79) Small orange ratchet strap	390	(103) Large BKI combination oven with 10 deck inside and digital readout
*353	(47) Tow ball	*391	4 white painted internal doors
354	Set of 12 wooden drawers	*392	Four 2 ton axle stands in yellow
355	(73) Elu TGS171 metal cut off saw, single phase electric	393	Mid 20th Century industrial 8 tier rack with 32 galvanized parts trays
356	Meddings engineering pillar drill, 3 phase electric	394	Mid 20th Century engineering rack with 16 drawers
357	Blue metal frame 2 tier trolley	395	Thin Universal angle block parallel set, Metal Deta box containing Mitutoyo vernier caliper, micrometers and other testing equipment
