

## *W & H Peacock Catalogue 24 Sep 2020*

*1	Probst Grabs SG block lifter (E324272)	*35	1000L water tank on single axle plant trailer (E322036)
*2	Probst Grabs SG block lifter (321250)	36	Large bunded fuel tank
*3	Petrol engine pressure washer with hose and lance (E321287)	*37	Fuel tank on single axle plant trailer
*4	Belle Minimix 150 electric single bag cement mixer (E319502)	*38	2500L water tank on single axle plant trailer (310772)
*5	Belle Minimix 150 petrol single bag cement mixer (E321318)	*39	Towerlight Super Light VT1 diesel engine telescopic lighting rig on single axle plant trailer (317106)
*6	Belle Minimix 150 electric single bag cement mixer (E319501)	*40	Towerlight Super Light VT1 diesel engine telescopic lighting rig on single axle plant trailer (318005)
*7	Tracmaster C8 petrol engine rotovator (E321859)	*41	Towerlight Super Light VB-9 diesel engine telescopic lighting rig on single axle plant trailer (315530)
*8	Tracmaster TR12 petrol engine stump grinder (320951)	42	CAB Animal Transit dog carrier for pickup or 4x4
*9	Clipper CS451 petrol engine floor saw (E324609)	43	(69) 13 25kg bags of Oerlikon OP 121 TT/W dry bag welding flux
*10	Clipper CS451 petrol engine floor saw (E324565)	*44	1 ton engine crane in red (E323076)
*11	Clipper CS451 petrol engine floor saw (E324122)	*45	1 ton engine crane in red (E32590)
*12	JCB petrol engine hydraulic breaker unit with hose and breaker (E319951)	*46	Brendon Powerwashers petrol engine pressure washer on small trolley (E321712)
*13	Atlas Copco LT5005 pedestrian operated trench compactor (E323573)	*47	Brendon Powerwashers electric pressure washer on small trolley (E323981)
*14	Conquip CA150 block lifter	*48	Belle Minimix 150 electric cement mixer (E321649)
*15	Heavy duty blue hand operated breaker unit	*49	Belle Minimix petrol engine single bag cement mixer (318364)
*16	Heavy duty red hand operated breaker unit	50	Large van roof rack with roller bars and pair of roof bars
*17	Conquip blue forklift attachment/ cradle	*51	(73) Abru aluminium combination ladder
*18	(154) 1.5kVA 110V transformer	52	Jig
*19	3kva transformer unit (E319450)	*53	Half ton block and tackle chain hoist (E310187)
*20	5kva transformer unit (E320346)	*54	Half ton block and tackle chain hoist (E309894)
21	Ransomes MG tracked crawler with 2 stroke diesel engine	*55	(3) Elite 300 electric fan heater (E316635)
*22	Whiteman petrol engine concrete float (E319394)	*56	(5) Elite 300 electric fan heater (E324104)
*23	Stephills Generator 3kva generator with 2 outputs (E321326)	57	Blue trolley with strapping reel and strap
24	Westwood T1200 ride on tractor lawn mower with grass collector	*58	(2) Evolution Evo magnetic heavy duty drill (E321443)
25	Large bottle of concentrated detergent, Base Foam Active D plus 1 other	*59	(13) Makita TW0200 electric wrench with case (E318204)
26	Single bag cement mixer with electric motor	60	Roll of orange site fencing
*27	(40) Clipper site saw, 110v (321239)	*61	(131) Lite300 110V fume extractor (E320324)
*28	(25) Clipper Norton CM501 pullover petrol engined site saw	62	(139) CP3 backpack sprayer
29	Hobart Hefty mobile site generator welder	63	(190) Box of assorted items incl. welding mask, part tool kits and hand held circular saw, 240v
*30	2140L fuel bowser on single axle plant trailer (319846)	*64	(15) Hilti TE50-AVR SDS breaker drill with case (E321886)
*31	2500L water tank on single axle plant trailer (E310261)	*65	Hilti TE700 PVR SDS breaker with case (E32243)
*32	Large excavator bucket (E318682)	*66	(12) Makita JR3060T reciprocating saw with case
*33	Strickland large excavator bucket (E320159)		
*34	Large excavator bucket (E315460)		

	(E321164)	101	Altendorf sliding table saw, 1996
*67	(12) Makita JR3070CT reciprocating saw with case (E321856)	102	Detel D-23 multi drilling rig
*68	Hilti EXP88 fixings gun (E311623)	103	Robinson spindle moulder, type NC-T, 62, with Steff feeder, 3 phase
*69	Qeo Fennel 10 20x zoom site level with case (E322407)	104	Dominion cross cut radial arm saw, 3 phase
*70	C.Scope SG-A signal generator (305692)	105	Interwood radial arm router, type OFN, 3 phase
*71	(14) Makita GA4530 4.5" angle grinder (324885)	106	Brandt KTV63 hot edge bander
*72	(11) Defender 3kva site transformer unit with 2 outlets (309150)	107	Air sprayer
73	Sealey SB970 shot blasting cabinet with some shot	108	Wagner Spray Pack 17-40 air sprayer
74	Blue pin electrical extension cable	109	Strapping machine and roll of strapping
75	Tray containing knee pads, belt holsters, soft fish tape reel, etc.	110	Curtis receiver mount air compressor, former military
76	Scott seed spreader and pressure sprayer	111	ERP small receiver mount air compressor
77	Alko Dynamic shredder (failed)	112	Engineer's bench
78	SIP 12" sliding compound mitre saw, single phase	113	Easiheat 145 space heater
79	Bag of heavy duty plastic drainage	114	Large space heater
80	spare	115	2 door metal cabinet
81	Wolsey WA8 stationary engine, 1 1/2HP	116	3 tier engineer's bench with mobile table
82	Bamford M200 stationary engine, 1 1/2 HP	117	Tray of cutters
83	Petter PA71 stationary engine	118	(210) 2 small wooden boxes of milling tooling
84	Lister D 1 1/2 HP stationary engine	119	(246) 4 boxed thread caliper gauges
85	Bamford EG1 stationary engine	120	(228) Small blue linbin containing large drills
86	Leo water pump	121	(238) Grey linbin containing assorted items incl. electrical leads, nuts, bolts etc.
87	Climax water pump	122	(7) Sealey 3/8" pipe threading kit with Challenge jig saw
88	Lister H3 water pump	123	(233) APC Back UPSES700 surge protection extension lead
89	Fuel tank	124	Metal engineer's bench
90	Water sharpening wheel	125	Black + Decker circular saw
91	Large Bemag electric hoist on heavy duty gantry runner	126	Small pipe bender and pack of speed saws
92	500kg capacity electronic hoist with small hand operated hand pulley	127	3 National Lab recirculating chiller unit in original cartons with instructions
93	3 green lifting straps with bundle of assorted shackles	128	Bucket of nails plus 2 bags of nails and fixings
94	spare	129	Welcome giant half step platform with handle
95	spare	130	spare
96	spare	131	Diaform Wheel Forming Tool surface grinder attachment for die grinding in specialist custom built wooden case
97	Schubert belt sander/ linisher with 8'x4' bed, rise and fall adjustable table, flat sanding table for end sanding and 80 grit belts, 3 phase (Please note that this lot is being sold in situ at Royston).	132	6" machine vice
*98	Link 51 S heavy duty boltless pallet racking incl. 13 3m uprights with approx. 45 2.7m cross beams	133	6" machine vice
*99	Quantity of heavy duty boltless pallet racking comprising 11 2.5m uprights and approx. 25 2.7m cross beams	*134	HV04 Hydrovane compressor
*100	2 running bays of medium duty pallet racking comprising 3 uprights and 6 cross beams	135	Lathe steady
		136	Welded pressurized air receiver
		137	Machining jig for machining between centres on milling machine
		138	Blue metal frame 2 tier work bench and 3 tier black metal bench
		139	Oxyacetylene cutting kit with gun gauges on 2

	wheel trolley		repair only to include Blend Tech blender, pressure washer, heater, vacuum cleaner and cooker (stillage not included)
140	Intermodern heavy duty metal mobile machining table		
141	Mobile 3 tier metal trolley	*163	Failed electric safety items suitable for spares or repair only to include assorted audio equipment and power tools (stillage not included)
142	Chuck jaws		
143	2 Jacobs chucks with keys	*164	Failed electric safety items suitable for spares or repair only to include Instant Pot pressure cooker, Kenwood mixer, microwave and pressure washers (stillage not included)
144	Linbin on quick release lathe tooling holders		
145	Medium size red linbin with reamers and small red linbin of end mill cutting tools	*165	Failed electric safety items suitable for spares or repair only to include Dyson tug along vacuum cleaner, Henry vacuum cleaner, Kenwood food processors, steam iron, etc. (stillage not included)
146	Pair of parallel bars and blue linbin containing lathe cutters		
147	Blue linbin of milling saws	*166	Failed electric safety items suitable for spares or repair only to include Karcher pressure washer, Makita power tool, lawn mower and lamp (stillage not included)
148	2 packs of letter and number punch stamps		
149	Blue linbin of end mills	*167	Failed electric safety items suitable for spares or repair only to include 9 microwave ovens (stillage not included)
150	Metal tray of auto collets and auto collet tool for Bridgeport mill		
*151	Failed electric safety items suitable for spares or repair only to include 8 assorted microwave ovens (stillage not included)	*168	Failed electric safety items suitable for spares or repair only to include 8 microwave ovens (stillage not included)
*152	Failed electric safety items suitable for spares or repair only to include Henry vacuum cleaner with microwave ovens (stillage not included)	*169	Failed electric safety items suitable for spares or repair only to include approx. 20 microwave ovens on pallet
*153	Failed electric safety items suitable for spares or repair only to include 3 assorted tug along vacuum cleaners, 4 microwaves, extension leads and drills (stillage not included)	170	spare
*154	Failed electric safety items suitable for spares or repair only to include 7 microwave ovens, Henry vacuum cleaner and Dyson vacuum cleaner (stillage not included)	*171	(122) Aluminium double extending ladder
*155	Failed electric safety items suitable for spares or repair only to include assorted kitchen items incl. microwaves, kettles, toasters and vacuum cleaners (stillage not included)	*172	(76) Lyte short aluminium stepladder
*156	Failed electric safety items suitable for spares or repair only to include 2 microwave ovens, lawn mower and blenders (stillage not included)	173	Aluminium double extending ladder
*157	Failed electric safety items suitable for spares or repair only to include steam cleaners, chop saw and compressor (stillage not included)	174	Large mid 20th Century tote tin rack with approx. 29 galvanized tote bins, approx. 7'(h) x 4'(w)
*158	Failed electric safety items suitable for spares or repair only to include 2 compressors, Kitchenaid mixer and microwave (stillage not included)	175	2 linbin wall mount racks with quantity of linbins
*159	Failed electric safety items suitable for spares or repair only to include 2 microwaves, 2 Dyson vacuum cleaners, steamer and karaoke machine (stillage not included)	176	Howard walk behind rotovator (project)
*160	Failed electric safety items suitable for spares or repair only to include 3 microwave ovens and 2 desk fans (stillage not included)	177	Colewood motor hoe plus rotovator attachment
*161	Failed electric safety items suitable for spares or repair only to include chop saw, 2 lawn mowers and oil filled radiator (stillage not included)	178	Large blue mobile plastic bin with handle
*162	Failed electric safety items suitable for spares or	179	Pair of 3' forklift tine extensions
		180	Metal tray containing assorted nuts and bolts of various sizes and other fixings
		181	Lathe face plate
		182	Plastic bin containing U bolts and nuts
		183	(235) Post puller machine in case (AF)
		184	spare
		185	spare
		186	spare
		187	spare
		188	spare
		189	spare
		190	spare
		*191	Red Band electric site saw
		*192	Clipper CM501 petrol engine site saw

*193	Clipper CM501 electric site saw	233	Tray of router pins
*194	Belle Premiere 100XT diesel engine 5 3/4 bag mixer	234	Tray of router chucks
*195	Belle Premiere 100XT diesel engine 5 3/4 bag mixer	235	Tray containing spindle fences
196	spare	236	Box containing spindle fences and guards
197	spare	237	Tray containing ratchet tie down straps
198	spare	238	2 heavy duty 4 wheel trolleys
199	spare	239	Large plank of Sapele timber
200	spare	240	Bundle of white poly tube
201	Jones and Shipman surface grinder	241	Range of assorted timber planks
202	Small fly press	242	Large mobile linbin rack with quantity of linbins
203	Winmax CF18 floor standing pillar drill	243	Large gas bottle trolley
204	Boxford 240 TCL student lathe, single phase	244	(10) Tricool Trim MK2 pump
205	Boxford 125 TCL student lathe, single phase	*245	10 tread electrician's fibre glass and aluminium stepladder
206	Model 917 vacuum folding machine	*246	8 tread electrician's fibre glass and aluminium stepladder
207	TD 3 axis mini CNC engraving machine with box of associated parts	*247	8 tread electrician's fibre glass and aluminium stepladder
208	Austin Allen 250 PRT/ GNAT injection moulder	*248	8 tread electrician's fibre glass and aluminium stepladder
209	Clarke blue engineer's bench	*249	8 tread electrician's fibre glass and aluminium stepladder
210	Engineer's work table with custom built jig	*250	8 tread electrician's fibre glass and aluminium stepladder
211	A range of engineering tooling with 2 2 door cabinets and 2 sets of drawers	*251	8 tread electrician's fibre glass and aluminium stepladder
212	Amadeal Ltd. XJ12-300 mini lathe, single phase	*252	8 tread electrician's fibre glass and aluminium stepladder
213	spare	*253	8 tread electrician's fibre glass and aluminium stepladder
214	spare	*254	8 tread electrician's fibre glass and aluminium stepladder
215	spare	*255	8 tread electrician's fibre glass and aluminium stepladder
216	Etesia heavy duty mower with Kawasaki engine	*256	8 tread aluminium stepladder
217	Westwood 2012H ride on lawn mower with grass collector	*257	9 tread aluminium stepladder
218	Green rotovator	*258	8 tread aluminium stepladder
219	Rotovator	*259	Youngman aluminium triple extending ladder with steady
220	Flymo orange rotovator	*260	Youngman aluminium triple extending ladder with steady
221	Large white crate containing edge banding and edging	*261	Youngman aluminium double extending ladder with steady
222	2 aluminium totes	*262	Youngman aluminium double extending ladder
223	Mid 20th Century filing cabinet	*263	Youngman aluminium double extending ladder
224	Bucket of approx. 4 air powered staplers with quantity of staples		
225	Bag of 75mm nails		
226	Carpenter's bench mount vice		
227	Carpenter's tool box with tooling		
228	Box of brass screws		
229	4 heavy duty castors, shrink wrap dispenser and glass carrier		
230	2 trays of spindle knives		
231	Large box of steel screws		
232	Box containing boring points and boring tools
