| <ul style="list-style-type: none"> *1 Set of four XXR 17" alloy wheels *2 Set of four XXR 16" alloy wheels *3 Two XXR 16" alloy wheels *4 Set of five Honda 16" alloy wheels with tyres *5 Set of four Honda 17" alloy wheels with tyres *6 Eight assorted Insane Shafts Performance driveshafts *7 Five assorted Innovative Mounts engine mounts and uprated spot kits *8 Two M2 Motorsport seat rails and M2 Motorsport exhaust decal test pipe *9 Three boxes of HAMP Synergy oil filters *10 Two Innovative Mounts steel uprated four piece engine mounts *11 Autoworks Stainless steel manifold *12 Japspeed race exhaust header manifold *13 Japspeed cat-back exhaust system *14 Japspeed exhaust decal test pipe *15 Assorted Hybridracing.com parts including performance short shifters, throttle body adapter and cold air intake system *16 Three Hybridracing.com parts to include two slimloc dip stick and one K series coil pack cover *17 Two vehicle wings, a front bumper and assorted trim *18 Three Action Clutch fly wheels *19 Six Hardrace parts to include camber kit, extension and lower control arm etc *20 Two Hyper-flex suspension hyper flex kits *21 Three NGK wire sets *22 Three D2 Racing lower control arms *23 Insane Shafts intermediate shaft *24 Shelf of Victor Reinz and other gaskets and seals *25 Five Brian Crower products to include valve springs and retainers, forged i beam connecting rods and cam shafts etc *26 Approximately twelve boxes of assorted King Racing bearings *27 Box of Honda fuel filters and an AEM water methanol injection system *28 ACT heavy duty race clutch kit *29 Two Tial turbo wastegates *30 Three assorted Action Clutch fly wheels and clutch kits *31 Three assorted Action Clutch clutch kits *32 Three assorted Action Clutch clutch kits *33 Three assorted Action Clutch fly wheels and clutch kits | <ul style="list-style-type: none"> *34 Three assorted Action Clutch clutch kits *35 Two Japspeed products to include one rear traction link and one rear camber kits *36 Two shelves of Exedy, Fidanza and Action Clutch clutch kits *37 Six assorted Action Clutch, Exedy and Valeo clutch kits *38 Six Motorspec Universal high flow pod air filters *39 BC Racing BR series coilovers *40 Yellow Speed Racing dynamic pro sport coilovers *41 BC Racing BR series coilovers *42 BC Racing BR series coilovers *43 Five assorted products to include Mishimoto radiator hose kit, Driftworks camber arms and other *44 Two Hardrace parts to include front adjustable lower arm and rear lower arm *45 Four Insane Shafts performance drive shafts *46 Box of assorted Honda genuine parts to include electrics and other *47 Tegiwa exhaust manifold header *48 Hardrace front lower control arm set *49 Six Honda genuine parts to include brake discs *50 BC Racing BR series coilovers *51 Skunk 2 Racing front camber kit and a Skunk 2 Racing lowers springs *52 Box of assorted Skunk 2 parts and 5 boxed parts including Driftworks, Skunk 2 and DW *53 D2 High Performance suspension kit *54 D2 High Performance suspension kit *55 Box of Hel consumable parts *56 Injen Technology cold air intake kit *57 AEM V2 air intake system *58 K&N Typhoon short RAM intake *59 Weapon R Secret weapon intake *60 Hasport shift linkage *61 Three small boxes of assorted spares including exhaust gaskets, bearings, electrics etc *62 Four assorted gaskets *63 Box of Honda genuine parts including fuel injector cushion rings, 2 Innovative Mounts products, rubber gaters etc *64 Three Takata racing harnesses *65 Six Motorspec Universal high flow pod air filters *66 Box of assorted mounts *67 Box of assorted Super Rigid collar kits and steel cable & hoses ties *68 Box of Hel couplers and assorted coloured hose |
|--|--|

- *69 Box of Energy Suspension pinion racks and other products
- *70 M Factory helical limited slip differentials
- *71 AEM cold air intake
- *72 M2 Motor Sport front tower strut bar brace
- *73 HardRace anti roll bar
- *74 K Tuned complete centre feed system and Drag Cartel endurance camshafts
- *75 7 Boxes of assorted Ferodo brake pads
- *76 Six assorted Project U brake pads plus 3 other sets
- *77 Shelf of Stop.Tech assorted brake discs
- *78 Box containing a large qty of assorted colour hose
- *79 Box of bagged branded lanyards
- *80 Box of bagged and loose branded lanyards
- *81 Box of assorted genuine Honda and other oil filters
- *82 Box of Fel-Pro gaskets, fuel filters and other products
- *83 Box of assorted parts including suspension shock socks, sump baffle kit, innovative front engine mount bracket and other etc
- *84 Hard Race front upper camber kit and a clutch kit
- *85 Two Hard Race anti roll bars
- *86 K Tune swap exhaust header manifold
- *87 N2 Air intake kit
- *88 Box of assorted Hondadata number plate mounts and K Tune transmission shifter cables
- *89 Two Stop Tech brakes
- *90 ARP head stud kits and a tray of ARP connecting rod bolt kits
- *91 Two Wiseco forged piston and ring sets and a larger forged piston and ring set
- *92 Three trays of assorted products including gaskets, radiator caps, valves etc
- *93 Jap Speed front lower arm set and Jap Speed rear lower suspension arm
- *94 Two exhaust ends
- *95 Two boxes of assorted parts including mount kits, bolts and studs, fuel pump parts, Jap Speed braided oil lines, Bosch Dynamic fuel injector etc
- *96 HSD Duel Tech suspension coil overs
- *97 Box of Hel products and consumables, mainly hoses couplers and other similar items
- *98 Box mainly assorted engine bearings etc.
- *99 Box containing manifold, gaskets and hoses, etc
- *100 Box of assorted spares including K&N, Mishimoto, and other brands
- *101 Box of assorted spares including K&N, Mishimoto, and other brands
- *102 DC Sports ceramic exhaust header, Darton mid block sleeves, exhaust section and pipes and couplers
- *103 Mishimoto slimline electric radiator fan
- *104 Three Mishimoto silicone hose kits
- *105 Tein Street Advance Z coilovers
- *106 Five Hasport parts including engine mount kits and transmission mount kits
- *107 Hybridracing pedal block
- *108 Five Blox Racing Gauge clusters
- *109 AEM exhaust section and an M2 Motorsport strut bar
- *110 M2 Motorsport exhaust section with filter, hose and clips
- *111 Ingen air intake kit
- *112 Japspeed Performance cooling high flow aluminium radiator
- *113 Japspeed Performance cooling high flow aluminium radiator
- *114 Seven small blue trays of assorted products including K tuned hose couplers, K tuned racing decal, Motorspec injector clips, Hasport replacement engine mounts etc
- *115 Six assorted Invidia exhaust sections
- *116 Box of assorted parts including Gates Racing Kevlar timing belt, P-1 extended roll centre adjustable ball joints, Honda genuine parts etc
- *117 Hybrid Racing aluminium dual core radiator
- *118 Five Honda genuine parts plus a Honda filter and a Honda slip differential
- *119 Box containing steel hose clips, cable ties and cables
- *120 Two Japspeed parts a hard tie rod and rear camber kit, Tegiwa 12" slim radiator fan and a Manley piston kit
- *121 Eight Skunk 2 assorted parts including gold anodised rear lower control arms, front camber kit mount, comp valves etc
- *122 Assorted parts including cables, wire assemblies, Carillo pistons, etc
- *123 HC Racing replacement spoiler
- *124 Hasport EKSTK engine mount kit
- *125 Two boxes of Honda genuine engine oil and Millers engine oil
- *126 Ten assorted parts including 2 GFB Deceptor Pro 2 blow off valves, Injen nano fibre dry filter, 2 Pro Plus oil pressure gauges etc
- *127 Box containing 8 assorted Blox parts including racing rear billet control arm, racing half shaft spacers etc
- *128 Two HybridRacing conversion wiring harnesses, 2 Performance clutch lines and 3 K Series swap fuel lines
- *129 Five assorted Japspeed exhaust sections
- *130 HybridRacing aluminium dual core radiator

- *131 Three Skunk 2 camber kits and a Skunk 2 intake manifold
- *132 Innovative Mounts replacement engine mount and another part
- *133 4 Boxed Honda genuine parts and a tray of replacement piston rings
- *134 Box of Super Rigid sub frame collar kits
- *135 Turbosmart BOV dual port and Turbo Smart waste gate
- *136 Six Energy Suspension engine mount inserts
- *137 Sixteen blue linbins of assorted Honda genuine spare parts and consumables
- *138 Sixteen blue linbins of assorted Honda genuine spare parts and consumables
- *139 Fifteen blue linbins of assorted Honda genuine spare parts and consumables
- *140 Shelf of Innovative Mounts and HybridRacing parts including conversion rear mounts, short shifters, fuel rails, cable bushes etc
- *141 Shelf of Cometic, AEM and Japspeed parts including gaskets, filters and hose sets
- *142 Shelf of Eagle, H-Tune and Mishimoto parts to include H beam connecting rods, refurbished ECU's and quick releases
- *143 Shelf of Mishimoto parts including oil coolers, coolant reservoir and hoses
- *144 Shelf of GMB wheel bearings, Toda Racing timing chains and tensioners and 2 ECU's
- *145 Shelf of 13 HardRace parts including tie rod sets, rear roll centres, engine mounts etc
- *146 Shelf of assorted gaskets
- 147 Spare lot
- 148 Spare lot
- 149 Spare lot
- 150 Spare lot
- *151 Pair of side steps and Honda Genuine Parts brackets
- *152 Mishimoto type R performance aluminium radiator
- *153 Koyorad aluminium performance radiator
- *154 Skunk 2 Racing Alpha Series radiator
- *155 Japspeed exhaust down pipe
- *156 Mishimoto performance aluminium radiator
- *157 Skunk2 universal exhaust muffler
- *158 Mishimoto performance aluminium radiator
- *159 Mishimoto performance aluminium radiator
- *160 Invidia exhaust down pipe
- *161 Three Mishimoto silicon hose kits
- *162 Skunk2 Alpha Series half radiator
- *163 Skunk2 Alpha B Series exhaust header
- *164 Innovative Mounts shift linkage plus 2 further packages containing sway bars and other
- *165 Japspeed universal carbon fibre spoiler
- *166 M2 Motor Sport spoiler and Tegiwa front strut brace bar
- *167 Invidia titanium tip cat back exhaust system
- *168 Invidia N1 cat back exhaust system
- *169 Japspeed exhaust sports cat pipe
- *170 Japspeed exhaust decal down pipe and Japspeed front mount inter cooler core
- *171 DC Sports front upper strut bar
- *172 Sard Racing 3 rows long product
- *173 Japspeed exhaust down pipe
- *174 Tegiwa rear wing spoiler with mount
- *175 Tegiwa rear wing spoiler with mount
- *176 Three lock boxes containing splitters and lips
- *177 Spoon strut bar brace, Tein Advanced Z coil overs, part engine and drive train and other parts
- *178 2 Honda Genuine Parts braces
- *179 Hydralok H32 ECOC swaging machine
- *180 20 ton hydraulic jack press
- *181 Kline-Ezee 3 step warehouse ladder
- *182 Three folding 4 wheel trolleys (not contents)
- *183 Two car batteries and Honda steering wheel
- *184 Single axle stand Clarke engineers vice, jack, assorted sockets and digital scale set
- *185 BT 2300kg pallet truck
- *186 Strapping trolley with reel of strapping and associated tools
- *187 Heat sealer
- *188 Nilfisk pressure washer
- *189 A large quantity of light duty boltless shelving in red with approx. 300 wooden shelves of various sizes
- *190 Approx. 40 bottle of oils, cleaners and anti-freeze
